DN #	ERROR #	TYPE OF ERROR	IAIABC DATA ELEMENT	IAIABC POC RECORD	IAIABC ERROR MESSAGE	ERROR MESSAGE DESCRIPTION	CORRECTION PROCESS
0000	057	HD	Entire Transmission		Duplicate Transmission	A duplicate transmission was sent (Based on Date Transmission Sent and Time Transmission Sent in Header Record)	If the transmission was sent in error, no follow up is required. If either the Date Transmission Sent or Time Transmission Sent was in error, the transaction can be resubmitted after correction.
0000	057	TR	Entire Transaction		Duplicate Transaction	A duplicate transaction was sent (Coverage already exists for Carrier, effective date and policy number).	If the transaction was sent in error, no follow up is required.
0000	063	TR	Entire Transaction		Invalid event sequence / relationship	Invalid Triplicate Code - when the combination of Transaction Purpose, Transaction Set Type Code and Transaction Reason Code on an insured record is not one of those defined on the POC Data Element Requirement Table.	CAOM must review the WCPOLS transaction to determine the correct triplicate code before resubmitting.
0000	064	TR	Entire Transaction		Invalid data sequence/ relationship	Employer record(s) rejected due to errors on the Insured record OR an Insured or employer record in a paired transaction is rejected OR more than one personal name for an individual OR less than 2 unique name for a partnership.	Correction can be submitted electronically.
0000	065	TR	Entire Transaction		Corresponding report/data not found	Insured record has an employer count which differs from the number of associated employers actually sent.	CAOM must review the WCPOLS transaction to determine the correct employer count before resubmitting.
0000	116	TR	Entire Transaction		Transaction not approved for production	Invalid Triplicate Code - when the combination of Transaction Purpose, Transaction Set Type Code and Transaction Reason Code on an insured record is not valid in Michigan as defined on the POC Data Element Requirement Table.	These transactions must be submitted on paper by the carrier.
0001	001	TR	Transaction Set ID	HD1, PC1, PC2, TR1	Mandatory field not present	The record did not contain the mandatory data element: Transaction Set ID.	CAOM must correct and resubmit.
0001	058	TR	Transaction Set ID	HD1, PC1, PC2, TR1	Code/ID Invalid	The record did not contain a valid Transaction Set ID - Valid ID's are HD1 (Header), PC1 (Insured), PC2 (Employer), TR1 (Trailer).	CAOM must correct and resubmit.
0004	001	TR	Jurisdiction	PC1	Mandatory field not present	The record did not contain the mandatory data element: Jurisdiction. Not valid for cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must complete this field and resubmit to CAOM.
0004	058	TR	Jurisdiction	PC1	Code/ID Invalid	The record did not contain the valid code - MI. Does not appear to be a Michigan policy. Not valid for cancellations.	If it is not a Michigan policy, the carrier does not need to follow up. If it is a Michigan policy, the carrier should correct the jurisdiction and resubmit to CAOM.
0006	001	TR	Insurer FEIN	PC1	Mandatory field not present	The record did not contain the mandatory data element: Insurer FEIN.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0006	028	TR	Insurer FEIN	PC1	Must be numeric(0-9)	The FEIN contains some non-numeric characters.	CAOM should not transmit files with this error. Carrier must supply and/or CAOM must populate prior to resubmission.
0006	039	TR	Insurer FEIN	PC1	No match on database	No Trading Partner Agreement for this FEIN.	If the FEIN was incorrect, CAOM can resubmit electronically after correction. If the SOM has not approved the carrier for electronic filings, this Insurer must make filings on paper.
0016	001	TR	Employer FEIN	PC2	Mandatory field not present	The record did not contain the mandatory data element: Employer FEIN.	CAOM should not transmit files without all mandatory fields. Correction must be filed on paper by carrier.
0016	028	TR	Employer FEIN	PC2	Must be numeric(0-9)	The FEIN contains some non-numeric characters.	CAOM should not transmit files with this error. Correction must be filed on paper by carrier.
0016	040	TR	Employer FEIN	PC2	All digits cannot be the same	The FEIN contains all 9 of the same digit.	CAOM should not transmit files with this error. Correction must be filed on paper by carrier.
0016	058	TR	Employer FEIN	PC2	Code/ID Invalid	FEIN must be valid. Cannot be 123456789, 987654321.	CAOM should not transmit files with this error. Correction must be filed on paper by carrier.
0016	059	TR	Employer FEIN	PC2	Match data value not consistent with value	The FEIN is no longer active or the employer has been approved for Self Insurance.	Carrier must verify with insured. Cannot be resubmitted electronically - must be done on paper by carrier.
0017	001	TR	Insured Name	PC1	Mandatory field not present	The record did not contain the mandatory data element: Insured Name. Not valid for cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0018	001	TR	Employer Name	PC2	Mandatory field not present	The record did not contain the mandatory data element: Employer Name.	CAOM should not transmit files without all mandatory fields. Correction must be done on paper by carrier.
0019	001	TR	Employer Address Line 1	PC2	Mandatory field not present	The record did not contain the mandatory data element: Employer Address Line1.	CAOM should not transmit files without all mandatory fields. Correction must be done on paper by carrier.
0021	001	TR	Employer City	PC2	Mandatory field not present	The record did not contain the mandatory data element: Employer City.	CAOM should not transmit files without all mandatory fields. Correction must be done on paper by carrier.
0022	001	TR	Employer State	PC2	Mandatory field not present	The record did not contain the mandatory data element: Employer State.	CAOM should not transmit files without all mandatory fields. Correction must be done on paper by carrier.

DN #	ERROR #	TYPE OF ERROR	IAIABC DATA ELEMENT	IAIABC POC RECORD	IAIABC ERROR MESSAGE	ERROR MESSAGE DESCRIPTION	CORRECTION PROCESS
0022	058	TR	Employer State	PC2	Code/ID Invalid	The record must contain a valid State Code (FIPS State Code Table) Codes will be provided for addresses out of the US.	CAOM should not transmit files without all mandatory fields. Correction must be done on paper by carrier.
0023	001	TR	Employer Postal Code	PC2	Mandatory field not present	The record did not contain the first 5 or all 9 digits of the mandatory data element: Employer Postal Code.	CAOM should not transmit files without all mandatory fields. Correction must be done on paper by carrier.
0028	001	TR	Policy Number	PC1	Mandatory field not present	The record did not contain the mandatory data element: Policy Number.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0028	030	TR	Policy Number	PC1	Must be A - Z, 0 - 9, or spaces	The record contained invalid characters.	CAOM should not transmit files with this error. CAOM and the carrier must agree on correct policy number formatting. Carrier must supply and/or CAOM must populate prior to resubmission.
0028	039	TR	Policy Number	PC1	No match on database	The policy number on a cancellation does not match the policy number on SOM's database.	If the policy number on the SOM's database is incorrect, the carrier must file a paper form BWC-403 to correct the policy number. The cancellation can then be resubmitted electronically. If the policy number on the cancellation is incorrect, it can be resubmitted electronically with the correct policy number.
0028	100	TR	Policy Number	PC1	No Leading/Embedded Spaces	The policy number cannot have leading or embedded spaces.	CAOM should not transmit files with this error. CAOM and the carrier must agree on correct policy number formatting. Carrier must supply and/or CAOM must populate prior to resubmission.
0029	001	TR	Policy Effective Date	PC1	Mandatory field not present	The record did not contain the mandatory data element: Policy Effective Date. Not valid for cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0029	029	TR	Policy Effective Date	PC1	Must be valid date	The record contains an invalid date format for Policy Effective Date. Not valid for cancellations.	CAOM should not transmit files with this error. Carrier must supply and/or CAOM must populate prior to resubmission.
0098	001	HD	Sender ID	HD1	Mandatory field not present	The record did not contain the mandatory data element: Sender ID	CAOM should not transmit files without all mandatory fields. CAOM must correct before resubmitting.
0098	039	HD	Sender ID	HD1	No match on database	No record of approval for this Sender ID.	CAOM should not transmit files with this error. CAOM must correct before CAOM can resubmit.
0099	001	HD	Receiver ID	HD1	Mandatory field not present	The record did not contain the mandatory data element: Receiver ID.	CAOM should not transmit files without all mandatory fields. CAOM must correct before resubmitting.
0099	039	HD	Receiver ID	HD1	Code/ID Invalid	Receiver ID is not valid for Michigan. SOM's FEIN = 386000134.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0100	001	HD	Date Transmission Sent	HD1	Mandatory field not present	The record did not contain the mandatory data element: Date Transmission Sent.	CAOM should not transmit files without all mandatory fields. CAOM must correct before resubmitting.
0100	029	HD	Date Transmission Sent	HD1	Must be valid date	The record contains an invalid date format for Date Transmission Sent.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0100	041	HD	Date Transmission Sent	HD1	Must be <= current date	The Date Transmission Sent must be within 30 days of the received date and cannot be in the future.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0101	001	HD	Time Transmission Sent	HD1	Mandatory field not present	The record did not contain the mandatory data element: Time Transmission Sent	CAOM should not transmit files without all mandatory fields. CAOM must complete before resubmitting.
0101	031	HD	Time Transmission Sent	HD1	Must be valid time (hhmmss)	The record contains an invalid time format for Date Transmission Sent	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0104	001	HD	Test / Prod indicator	HD1	Mandatory field not present	The record did not contain the mandatory data element: Test/Prod Indicator	CAOM should not transmit files without all mandatory fields. CAOM must correct before resubmitting.
0104	058	HD	Test / Prod indicator	HD1	Code/ID Invalid	The code must be valid (T = Test, P = Production) and the transmission must be routed to the proper destination.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0105	001	HD	Interchange Version ID	HD1	Mandatory field not present	The record did not contain the mandatory data element: Interchange Version ID	CAOM should not transmit files without all mandatory fields. CAOM must correct before resubmitting.
0105	058	HD	Interchange Version ID	HD1	Code/ID Invalid	Transmission Type Code/Release Number must be POC 02.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0106	001	HD	Detail Record Count	TR1	Mandatory field not present	The record did not contain the mandatory data element: Detail Record Count	CAOM should not transmit files without all mandatory fields. CAOM must correct before resubmitting.
0106	028	HD	Detail Record Count	TR1	Must be numeric(0-9)	The Detail Record Count contains some non-numeric characters.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0106	066	HD	Detail Record Count	TR1	Invalid Record Count	The value of the Detail Record Count does not match the number of detail records.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0107	001	TR	Record Sequence Number	PC1, PC2	Mandatory field not present	The record did not contain the mandatory data element: Record Sequence Number.	CAOM should not transmit files without all mandatory fields. CAOM must correct before resubmitting.
0107	028	TR	Record Sequence Number	PC1, PC2	Must be numeric(0-9)	The Record Sequence Number contains some non-numeric characters.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.

DN #	ERROR #	TYPE OF ERROR	IAIABC DATA ELEMENT	IAIABC POC RECORD	IAIABC ERROR MESSAGE	ERROR MESSAGE DESCRIPTION	CORRECTION PROCESS
0107	064	TR	Record Sequence Number	PC1, PC2	Invalid data sequence/ relationship	The Record Sequence Number must be unique and sequential within a transmission.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0300	001	TR	Transaction Set Purpose Code	PC1	Mandatory field not present	The record did not contain the mandatory data element: Transaction Set Purpose Code.	CAOM should not transmit files without all mandatory fields. CAOM must correct before resubmitting.
0300	058	TR	Transaction Set Purpose Code	PC1	Code/ID Invalid	Invalid Transaction Set Purpose Code (Must equal 00).	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0303	001	TR	Transaction Reason Code	PC1	Mandatory field not present	The record did not contain the mandatory data element: Transaction Reason Code.	CAOM should not transmit files without all mandatory fields. CAOM must correct before resubmitting.
0303	058	TR	Transaction Reason Code	PC1	Code/ID Invalid	Invalid Transaction Reason Code - Valid codes are 01(No Specific Reason), 45 (Out of Business), 59 (Non Payment), 60 (Coverage Placed Elsewhere), 61 (Duplicate Coverage), 62 (Change in Ownership), 64 (Underwriting Reason), 65 (No Employees, No Exposure), 66 (Revocation of VMA), 69 (Failure to Pay Deductible), 70 (Misrepresentation on Application), 71 (Rewritten/Reissue), & 80 (No Specific Location in Jurisdiction).	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0304	001	TR	Transaction Set Type Effective Date	PC1	Mandatory field not present	The record did not contain the mandatory data element: Transaction Set Type Effective Date.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0304	029	TR	Transaction Set Type Effective Date	PC1	Must be valid date	The record contains an invalid date format for Transaction Set Type Effective Date.	CAOM should not transmit files with this error. Carrier must supply and/or CAOM must populate prior to resubmission.
0314	001	TR	Insured FEIN	PC1	Mandatory field not present	The record did not contain the mandatory data element: Insured FEIN. Not valid on cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0314	028	TR	Insured FEIN	PC1	Must be numeric(0-9)	The record contains some non-numeric characters. Not valid on cancellations.	CAOM should not transmit files with this error. Carrier must supply and/or CAOM must populate prior to resubmission.
0314	039	TR	Insured FEIN	PC1	No match on database	The FEIN is no longer active, the Insured has been approved for Self Insurance, the Carrier is attempting to renew or rewrite a policy for an FEIN that is not on our database. Not valid on cancellations.	Carrier must verify with insured. If the FEIN was incorrect, it can be resubmitted electronically after correction. If the insured was approved for Self Insurance, the filing must be made on paper by carrier. Original policy can be submitted electronically first, followed by the renewal or rewrite.
0314	040	TR	Insured FEIN	PC1	All digits cannot be the same	The FEIN contains all 9 of the same digit. Not valid on cancellations.	CAOM should not transmit files with this error. Carrier must supply and/or CAOM must populate prior to resubmission.
0314	058	TR	Insured FEIN	PC1	Code/ID Invalid	FEIN must be valid. Cannot be 123456789, 987654321. Not valid on cancellations.	CAOM should not transmit files with this error. Carrier must supply and/or CAOM must populate prior to resbmission.
0315	001	TR	Insured Address Line 1	PC1	Mandatory field not present	The record did not contain the mandatory data element: Insured Address Line 1. Not valid on cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0317	001	TR	Insured City	PC1	Mandatory field not present	The record did not contain the mandatory data element: Insured City. Not valid on cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmitting.
0318	001	TR	Insured State	PC1	Mandatory field not present	The record did not contain the mandatory data element: Insured State. Not valid on cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0318	058	TR	Insured State	PC1	Code/ID Invalid	The record must contain a valid State Code (FIPS State Code Table) Codes will be provided for addresses out of the US. Not valid on cancellations.	CAOM should not transmit files with this error. Carrier must supply and/or CAOM must populate prior to resubmission.
0319	001	TR	Insured Postal Code	PC1	Mandatory field not present	The record did not contain the first 5 digits of the mandatory data element: Insured Postal Code. Not valid on cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0322	001	TR	Wrap-Up indicator	PC1	Mandatory field not present	The record did not contain the mandatory data element: Wrap-Up Indicator. Not valid on cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0322	058	TR	Wrap-Up indicator	PC1	Code/ID Invalid	Must equal 2 - No Wrap-Up. Not valid on cancellations.	CAOM should not transmit files with this error. CAOM must correct before CAOM can resubmit. If policy is for a Wrap-Up, the filing must be done on paper by carrier.
0323	001	TR	Insured Legal Status	PC1	Mandatory field not present	The record did not contain the mandatory data element: Insured legal status. Not valid on cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.

DN #	ERROR #	TYPE OF ERROR	IAIABC DATA ELEMENT	IAIABC POC RECORD	IAIABC ERROR MESSAGE	ERROR MESSAGE DESCRIPTION	CORRECTION PROCESS
0323	058	TR	Insured Legal Status	PC1	Code/ID Invalid	Invalid Code - Valid codes are 01(Individual), 02 (Partnership), 03 (Corporation), 04 (Association, Union, Religious Organization), 05 (Limited Partnership), 06 (Joint Venture), 10 (Limited Liability Company), 11 (Trust or Estate), 13 (Limited Liability Partnership) and 14 (Government Entity). Not valid on cancellations.	Carrier must supply and/or CAOM must populate prior to resubmission.
0323	063	TR	Insured Legal Status	PC1	Invalid data sequence/ relationship	Insured Legal Status does not correspond with the legal title in the Insured's name. A Limited Liability Company cannot have Corp, Corporation, Professional Corporation or PC in its name. A Corporation cannot have Limited Liability Company, Liability Company, LLC or LC in its name. Not valid on cancellations.	Carrier must supply and/or CAOM must populate prior to resubmission.
0324	001	TR	Prior Policy Number	PC1	Mandatory field not present	The record did not contain the mandatory data element: Prior Policy Number. Applicable only to rewrites and renewals.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0324	030	TR	Prior Policy Number	PC1	Must be A - Z, 0 - 9, or spaces	The record contained invalid characters. Applicable only to rewrites and renewals.	CAOM should not transmit files with this error. CAOM and the carrier must agree on correct policy number formatting. CAOM can resubmit after correction.
0324	039	TR	Prior Policy Number	PC1	No match on database	If applicable, the prior policy number must match the policy number on the SOM's database. Applicable only to rewrites and renewals.	If the policy number on the SOM's database is incorrect, the carrier must make the necessary filings to update the policy number. The original rejected transaction can then be submitted electronically.
0324	100	TR	Prior Policy Number	PC1	No Leading/Embedded	A policy number cannot contain embedded spaces in the previous policy number. Applicable only to rewrites and renewals.	CAOM should not transmit files with this error. Carrier must supply and/or CAOM must populate prior to resubmission.
0326	028	TR	Governing Class	PC1	Must be numeric(0-9)	If provided it cannot contain any non-numeric characters. Not valid on cancellations. Not valid on cancellations.	CAOM should not transmit files with this error. CAOM or carrier must correct before CAOM can resubmit.
0327	001	TR	Total Payroll	PC1	Mandatory field not present	The record did not contain the mandatory data element: Total Payroll. Mandatory if Minimum Premium Indicator equals N. Not valid on cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0327	028	TR	Total Payroll	PC1	Must be numeric(0-9)	If provided it cannot contain any non-numeric characters. Not valid on cancellations.	CAOM should not transmit files with this error. Carrier must supply and/or CAOM must populate prior to resubmission.
0328	001	TR	Number of Employers	PC1	Mandatory field not present	The record did not contain the mandatory data element: Number of Employers. Not valid on cancellations.	CAOM should not transmit files without all mandatory fields. CAOM must correct before resubmitting.
0328	028	TR	Number of Employers	PC1	Must be numeric(0-9)	The record contains some non-numeric characters. Not valid on cancellations.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0328	066	TR	Number of Employers	PC1	Invalid Record Count	There is an invalid record count for the triplicate combination. (For example - Number of Employers = 1 when the specified triplicate requires only an Insured record.) Not valid for cancellations.	CAOM should not transmit files with this error. CAOM must correct before resubmitting.
0332	001	TR	Minimum Premium Indicator	PC1	Mandatory field not present	The record did not contain the mandatory data element: Minimum Premium Indicator. Not valid on cancellations.	CAOM should not transmit files without all mandatory fields. Carrier must supply and/or CAOM must populate prior to resubmission.
0332	058	TR	Minimum Premium Indicator	PC1	Code/ID Invalid	The record did not contain a valid code for Minimum Premium Indicator. Valid codes are Y or N. Not valid on cancellations.	CAOM should not transmit files with this error. Carrier must correct before CAOM can resubmit.
0334	001	TR	Transaction Set Type Code	PC1	Mandatory field not present	The record did not contain the mandatory data element: Transaction Set Type Code	CAOM must correct before resubmitting.
0334	058	TR	Transaction Set Type Code	PC1	Code/ID Invalid	The record did not contain a valid Transaction Set Type Code. Valid codes are 10 (New), 20 (Renewal), 41(Carrier cancels), 42, (Insured cancels) 50 (Rewrite), & 60 (Non-renewed)	CAOM must correct before resubmitting.

If an entire policy is rejected, it can usually be corrected by the carrier and/or CAOM and resubmitted electronically. If the insured information on a policy is accepted but some or all of the employer information is rejected, the rejected information must usually be corrected and submitted on paper by the carrier. The carrier will be responsible for the corrected paper filings even if the reason for rejection was caused by CAOM. The official received date is the date the filing is accepted by the bureau.
